Seasons

Our weather unfolds in a new panorama each season. Spring brings soft rains with breathtaking redbud and dogwood foliage. The summers are warm but the lake and river entice you to a swim, or just go fishing, to keep you cool. The area loves to show off its Crepe Myrtles, blooming in red, pink and white through June, July and August. Fall is pleasant with temperatures in the 70's during the day and brisk cool evenings. Perfect for walks among the brilliant turning leaves on the vast variety of trees. The winters are short and mild with at least one snowfall to make this a winter wonderland.

Population

Lakeview has a population of 741 people.

Recreation

Fishing, hunting, walking/hiking trails, bird watching, boating, canoeing, swimming, camping, wood carving, exercise classes, and table games are some of the things you can enjoy throughout the year.

Medical

Over 100 physicians, dentists and specialists serve the community. Baxter Regional Medical Center is well established with over 300 beds.

Education

Lakeview is in Mountain Home School District, grades K-12. A branch of Arkansas State University is a 2-year college offering associates degrees in Arts & Sciences. It offers non-academic community service courses as well.

**All area codes are 870

**Zip code for Lakeview is 72642
