ORDINANCE NO. 94-08

Be it enacted by the City of Lakeview, Baxter County, Arkansas, an ordinance to be entitled:

AN ORDINANCE ESTABLISHING A UNIFORM SYSTEM OF NUMBERING ROADS AND PUBLIC WAYS, HOUSES, BUILDING AND ROAD FRONTAGES ON ALL CITY ROADS IN LAKEVIEW, PROVIDING PROCEDURES FOR INSTALLING SAID SYSTEM WITHIN THE CITY OF LAKEVIEW TO ESTABLISH A COORDINATED ROAD AND STRUCTURE NUMBERING SYSTEM, WHICH WILL BE COMPATIBLE WITH E-9-1-1 EMERGENCY TELEPHONE SERVICE AND POSTAL SERVICE REQUIREMENTS WITHIN THE CITY, FOR ENFORCEMENT THERE OF AND FOR OTHER PURPOSES.

WHEREAS, a need exists for the establishment of a uniform numbering system for roads and public ways, road frontage and for houses and buildings in the City of Lakeview.

NOW, THEREFORE, BE IT ORDAINED BY THE LAKEVIEW CITY, BAXTER COUNTY, ARKANSAS, THAT:

Section 1. There is hereby established a uniform system for numbering the property frontages on all roads and public ways in Lakeview and the residential and business structures accessible therefrom.

Section 2. A Lakeview road map prepared and dated November 1, 1992 is hereby adopted as the official Lakeview E-9-1-1 map for numbering and location of roads and public ways.

Section 3. All inhabitable structures in Lakeview will be addressed by a Grid system using two hundred eleven addresses per mile as our standard.

Section 4. All county roads and public ways shall be numbered from the point of beginning of each road and all structures located on each road shall be numbered in such a way that all structures on the North and/or East side shall have odd numbers, and all structures and/or West side shall have even numbers.

Section 5. The Baxter County E-9-1-1 office previously established by the Quorum Court of Baxter County shall be authorized to make such changes, alterations and additions to the numbering system created by adoption of said map as deemed appropriate to implement the current numbering system and also to include proper sequence numbers for such additional structures hereafter constructed, moved or located within the City.

Section 6. The owner, builder and/or developer of any <sup>housing</sup> structures or business properties within the City after the original numbering system has been established and numbering provided for existing units, shall apply to the Baxter County E-9-1-1 office for numbers to be assigned to all newly established roads and public ways and to such structures as constructed, no less than thirty (30) days prior to the occupancy thereof. All roads and/or public ways in any subdivision shall be numbered and/or named on the submission of plats thereof to the County E-9-1-1 office prior to final plat approval by the City Council and/or Planning and Zoning Commission and recording of said plats with the designations thereon to ensure consistency with the existing naming and numbering regimen established by this ordinance and to thereby avoid duplication of road and public way designations.

Section 7: Assignment of address numbers:

A. No person, firm, corporation, partnership or other entity shall authorize any public Utility Company as defined by Arkansas law to supply any service to any new residence or business in the City of Lakeview until an official E-9-1-1 address for such residence or business has been assigned or otherwise approved by the County Judge or his designee.

B. Address numbers shall be at least three (3) inches in minimum height and shall be installed and maintained at owners expense and likewise conform to the standard established by this ordinance. Such address numbers shall be posted in such a manner as to be clearly visible from the named and/or numbered street of access. Address numbers on existing structures must be posted within 30 days after assignment.

C. Any person or other entity failing in comply with the provisions of this ordinance shall upon conviction thereof, be fined not less than twenty-five dollars (\$25.00) plus prosecution costs for each offense. Each day said offense continues shall be deemed as a seperate offense.

Section 8: Severability Clause: If any part of this Ordinance is declared by the courts to be invalid or unconstitutional, that decision shall not affect the validity of the remaining parts.

Section 9: Emergency Ordiance Declaration: The implementation of this uniform system of numbering roads and public ways, houses, buildings and road frontages on all City of Lakeview Streets in coordination with E 9-1-1 emergency telephone service will have a direct effect on the life, health, safety or property of the people of Lakeview so therefore an emergency is declared to exist and this ordinance being necessary shall be in full force and effect upon passage and approval.
